

# YOKKO

## THE ESSENTIALS

## AFTER COLOR

Leave-in colour-protection conditioner.

### ACTIVE INGREDIENTS

Enriched with hydrolysed quinoa protein, rice and avocado oils. With Vitamins E, B5 and chestnut extract.

**Hydrolysed Quinoa Protein:** great conditioner, helps to retain colour and increases shine.

**Rice Oil:** prevents ageing thanks to its antioxidant action. Helps to strengthen hair fibres.

**Avocado Oil:** rich in fatty acids and antioxidants; has a great nourishing power.

**Chestnut Extract:** keeps the hair moisturised. Acts as a thermal protector and repairs damaged hair.

### BENEFITS

**Treatment that nourishes and protects hair colour.** Easily untangles hair. With acid pH, ideal for coloured hair. The mixture of plant active ingredients in its formulation repairs and contributes to a longer lasting hair colour.

Hair Benefits: Moisture, softness, shine, conditioning, thermal protection and longer-lasting colour.

Its formulation does not contain silicones, so it moisturises and conditions without weighing the hair down. It is therefore also suitable for the curly method.

Environmentally friendly formulation with no ingredients of animal origin.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PE GREEN container made of 100% recyclable sugar cane bio plastic.

The allergen-free fragrance is characterised by a clean fresh scent with a fruity heart.

### INSTRUCTIONS

Spray on damp hair. Ideal for application after a colouring process. Untangle. Do not rinse.

### INGREDIENTS

AQUA / DODECANE / BEHENTRIMONIUM CHLORIDE / CETEARYL ALCOHOL / ETHYL MACADAMIATE / HYDROGENATED ETHYLHEXYL OLIVATE / PARFUM / ORYZA SATIVA (RICE) BRAN OIL / PPG-3 CAPRYLYL ETHER / HYDROLYZED CHESTNUT EXTRACT / PHENOXYETHANOL / ISOPROPYL ALCOHOL / PERSEA GRATISSIMA (AVOCADO) OIL / ISOPROPYL PALMITATE / ISOSTEARYL ISOSTEARATE / HYDROLYZED QUINOA / HYDROGENATED OLIVE OIL UNSAPONIFIABLES / TOCOPHERYL ACETATE / OCTYLDODECANOL / TRIETHYLENE GLYCOL / PANTHENOL / OCTYLDODECYL MYRISTATE / CITRIC ACID / BENZYL ALCOHOL / SODIUM BENZOATE / POTASSIUM SORBATE / TOCOPHEROL / MALIC ACID
