

YOKKO

THE ESSENTIALS

Color Fixer

Colour Fixing Cream

Colour fixing cream with a vegan formulation to nourish and condition the hair.

ACTIVE INGREDIENTS

Enriched with kumquat extract and cherry, rice and avocado oils. .

Kumquat Extract: acts as a revitalising and energising agent. Provides the hair with greater moisture and shine.

Rice Oil: prevents ageing thanks to its antioxidant action. Helps to strengthen hair fibres.

Avocado Oil: rich in fatty acids and antioxidants; has a great nourishing power.

Cherry Oil: stands out for its high moisturising and emollient power. Restores nourishment and shine in damaged hair.

BENEFITS

In-depth treatment that nourishes and protects hair colour. The mixture of different vegetable oils in its formulation repairs the hair, giving back the needed nourishment and shine. Easily untangles hair. With acid pH, ideal for coloured hair. The mixture of plant active ingredients in its formulation contributes to a longer lasting hair colouring.

Its formulation does not contain silicones, so it moisturises and conditions without weighing the hair down. It is therefore also suitable for the curly method.

Environmentally friendly formulation with no ingredients of animal origin.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PE GREEN container made of 100% recyclable sugar cane bio plastic.

The allergen-free fragrance is characterised by a clean fresh scent with a fruity heart.

INSTRUCTIONS

Apply product to washed hair. Massage in and leave on for 5 to 20 minutes, depending on the hair needs. Rinse.
