

Detox Cleansing Gel

Vegan formula to effectively cleanse the skin of the face, perform a gentle exfoliation thanks to the AHA and provide vitamins and nutrients to leave it softly moisturised.

ACTIVE INGREDIENTS

Enriched with green tea extract, hemp oil and Vitamin B5.

Hemp Oil: contains about 80% of unsaturated fatty acids, including linoleic acid and linolenic acid, which prevent excessive moisture loss or skin dehydration. With anti-ageing dermal action; provides firmness.

Vitamin B5: moisturiser and emollient. It is a mild, soluble vitamin that helps to moisturise and soothe the skin.

Green tea: with antibacterial and anti-inflammatory properties; helps brighten the skin.

BENEFITS

Moisture, Cleansing, Detox, Softness, Anti-pollution protection. Purifies and balances the pH of the skin without drying it out. Hemp oil is a non-greasy oil with antioxidant and soothing properties for the skin. Get clean, soft and moisturised skin.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PET container, the most recycled plastic worldwide. The transparent container allows for seeing the product. FSC-certified cardboard sleeve sourced from sustainable forests.

The allergen-free fragrance is characterised by a clean fresh scent with an herbal heart.

INSTRUCTIONS

Wet the face first. Apply one or two doses on a cleansing sponge and use over the face and neck. Rinse with water. It can be used for daily cleansing, as a make-up remover or to complete other beauty routines.
