

## Micellar Detox Shampoo

Vegan formula with surfactants and vegetable extracts, to gently clean your hair and help strengthen it. Provides moisture, shine and anti-pollution protection.

### ACTIVE INGREDIENTS

Shampoo enriched with green tea extract, hemp oil and VITAMIN E.

**Green Tea Extract with AHA:** smoothes the hair cuticle leaving it softer and less frizzy.

**Hemp Oil:** 80% essential fatty oil content; high in vitamin E, antioxidants and minerals. Helps strengthen and moisturise the hair.

**Vitamin E:** strong antioxidant that helps maintain healthy a hair.

## BENEFITS

### **Moisture, Detox, Softness, Anti-pollution protection and anti-frizz action.**

Thanks to its delicate formulation with non-aggressive plant surfactants, it gently cleanses the hair without irritating the scalp. The mixture of its active ingredients with natural ingredients repairs the hair, bringing back the needed moisture and shine. Helps to rebalance the scalp, preventing dandruff, grease and hair loss. Exfoliates the scalp and prevents flaking. Environmentally friendly formulation with no ingredients of animal origin.

Its formulation does not contain sulphates, silicones or alcohols, making it suitable for the curly method.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PE GREEN container made of 100% recyclable sugar cane bio plastic.

The allergen-free fragrance is characterised by a clean fresh scent with an herbal heart.

## INSTRUCTIONS

Apply product to wet hair. Emulsify. Rinse. Repeat as needed.
