

## Mist Free Spirit. Moisturising Detox

Moisturising bi-phase conditioner made of a vegan formula for application over the hair and face. In both cases it provides freshness, softness, moisture and brightness.

### ACTIVE INGREDIENTS

Free-spirited mist formulated with **green tea extract and AHA**, which smoothes the hair cuticle leaving it softer and less frizzy. Enriched with hyaluronic acid, hemp oil, vegetable conditioners and vitamin B5.

**Vitamin B5:** moisturiser and emollient. It is a mild, soluble vitamin that helps to moisturise and soothe the skin.

**Hemp Oil:** 80% of its content is made of essential fatty oils, high vitamin E levels, antioxidants and minerals. It gives elasticity, shine and volume to the hair. In addition to anti-ageing dermal action, it provides the skin with firmness and moisture.

**Hyaluronic Acid:** gives a healthy appearance as it facilitates cellular repair, improving the skin radiance.

## BENEFITS

**Moisture, Detox, Softness, Brightness, Anti-pollution protection and Anti-frizz action.** The combination of its active ingredients with natural ingredients repairs the hair and skin, restoring lost moisture and shine. Environmentally friendly formulation with no ingredients of animal origin.

It makes the **hair** fibre stronger, provides moisture and reduces frizz. Reduces hair breakage and provides shine. Helps to rebalance the scalp, preventing dandruff, grease and hair loss.

It provides the **skin** with moisture, brightness and anti-pollution protection. Hyaluronic acid gives a healthy appearance as it facilitates cellular repair and retains epidermal water, improving skin brightness.

Its formulation does not contain sulphates, silicones or alcohols, making it suitable for the curly method.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PET container, the most recycled plastic worldwide. The transparent container allows for seeing the product. FSC-certified cardboard sleeve sourced from sustainable forests.

The allergen-free fragrance is characterised by a clean fresh scent with an herbal heart.

## INSTRUCTIONS

**Hair:** spray on damp hair, detangle and comb through. Do not rinse. Dry.

**Face and décolleté:** spray and spread the product by massaging. Do not rinse.
