

KURELIFT • ALL IN ONE LIFTING •

Rinse-free conditioner. Gives your hair a boost with an extra-moisture lifting cure.

ACTIVE INGREDIENTS

Vegan formulation with hyaluronic acid and bamboo extract. Enriched with tsubaki, chia and sacha inchi oil. With vitamins E, B5 and chestnut extract.

Tsubaki Oil: is an excellent antioxidant, with a great restorative power and protection against free radicals.

Hyaluronic Acid: provides nourishing, strength and density to the hair.

Chia and Sacha Inchi Oils: helps to recover hair moisture, reduce breakage and increase shine.

Chestnut Extract: keeps the hair moisturised. Acts as a thermal protector and repairs damaged hair.

BENEFITS

Regenerating cure that provides hair with multiple benefits: Moisture, softness, shine, volume, thermal protection, regeneration and greater density. Thanks to its formulation, it forms a hexagonal structure that creates extra volume when drying the hair. The mixture of its active ingredients with natural ingredients repairs the hair, bringing back the needed moisture and shine. Revitalises and provides density. Environmentally friendly formulation with no ingredients of animal origin. Its formulation does not contain sulphates, silicones or alcohols, making it suitable for the curly method. Due to its composition, it is the ideal leave-in product to achieve well-cared, moisturised and shiny curls.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PE GREEN container made of 100% recyclable sugar cane bio plastic.

The allergen-free fragrance is characterised by a clean fresh scent with a floral heart.

INSTRUCTIONS

Apply product on damp hair from mid lengths to ends. Untangle. Do not rinse.
