

## Micellar water

Micellar water with Bamboo extract and Tsubaki oil. Vegan formula to effectively remove face make-up avoiding irritation.

### ACTIVE INGREDIENTS

Enriched with hyaluronic acid, bamboo extract and Tsubaki oil.

**Hyaluronic Acid:** provides a healthy appearance by facilitating cellular repair and improving skin radiance. Formulated with **AHA**, that performs a gentle exfoliation and provides vitamins and nutrients and leaves the skin softly hydrated.

**Bamboo Extract:** reaffirming and soothing. Rich in silicon, helps regenerate and soothe.

**Tsubaki Oil:** is an excellent antioxidant, with a great restorative power and protection against free radicals.

### BENEFITS

**Effectively removes make-up, leaving the skin soft and moisturised. Provides a healthy appearance as it facilitates cellular repair and retains water in the epidermis, improving skin radiance.**

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PET container, the most recycled plastic worldwide. The transparent container allows for seeing the product. FSC-certified cardboard sleeve sourced from sustainable forests.

The allergen-free fragrance is characterised by a clean fresh scent with a floral heart.

### INSTRUCTIONS

Apply product on cotton wool and proceed to remove make-up from face and neck. If you wish to lighten the skin.
