

## Volumising regenerating shampoo

Vegan formula with surfactants and vegetable extracts. Gently cleans your hair and provides extra volume, nourishment and shine.

### ACTIVE INGREDIENTS

Its formulation contains a blend of powerful active ingredients: HYALURONIC + TSUBAKI.

**Tsubaki Oil:** is an excellent antioxidant, with a great restorative power and protection against free radicals.

**Hyaluronic Acid:** provides nourishing, strength and density to the hair.

### BENEFITS

Thanks to its delicate formulation with non-aggressive plant-based surfactants it **gently cleanses the hair without irritating the scalp**. The mixture of active ingredients with natural ingredients repairs the hair, bringing back the needed moisture and shine. Revitalises and provides density. Environmentally friendly formulation with no ingredients of animal origin.

Its formulation does not contain sulphates, silicones or alcohols, making it suitable for the curly method. Due to its composition, it is the ideal shampoo to achieve neat curls, with volume and shine.

100% Gluten Free product, suitable for use by those intolerant or allergic to gluten.

Sustainable packaging: PE GREEN container made of 100% recyclable sugar cane bio plastic.

The allergen-free fragrance is characterised by a clean fresh scent with a floral heart.

### INSTRUCTIONS

Apply product to wet hair. Emulsify. Rinse. Repeat as needed.
